- 10 ROHEVEL-PRT3209

1 ROHEVEL-PRT3201

	No.	Designation Article number
	1	Housing lid with inspection window Article number: REVIHD.0802
	2	Display adjustment module Article number: DISP.0802
	3	Electronics Article number: EPRT.3201
	4	Double chamber housing Article number: REVIH.0802
	5	Electronics for cable connection Article number: REVIE.0802
	6	Housing lid without inspection window Article number: REVIHDX.0802
	7	Example of a process assembly: Thread G1½ Article number: PRT3201PA.XXX

0802-01.00-01M.AS180426110

2 ROHEVEL-PRT3202

	No.	Designation Article number
	1	Housing lid with inspection window Article number: REVIHD.0802
	2	Display adjustment module Article number: DISP.0802
	3	Electronics Article number: EPRT.3202
	4	Double chamber housing Article number: REVIH.0802
	5	Electronics for cable connection Article number: REVIE.0802
	6	Housing lid without inspection window Article number: REVIHDX.0802
	7	Example of a process assembly: Horn antenna Article number: PRT3202ANT.XXX

3 ROHEVEL-PRT3203

	No.	Designation Article number
	1	Housing lid with inspection window Article number: REVIHD.0802
	2	Display adjustment module Article number: DISP.0802
	3	Electronics Article number: EPRT.3203
	4	Double chamber housing Article number: REVIH.0802
	5	Electronics for cable connection Article number: REVIE.0802
	6	Housing lid without inspection window Article number: REVIHDX.0802
	7	Example of a process assembly: Sensor Article number: PRT3203SEN.XXX
	8	Example of a process assembly: Horn antenna Article number: PRT3203ANT.XXX

0802-01.00-01M.AS180426110

4 ROHEVEL-PRT3205

	No.	Designation Article number
	1	Housing lid with inspection window Article number: REVIHD.0802
	2	Display adjustment module Article number: DISP.0802
	3	Electronics Article number: EPRT.3205
	4	Double chamber housing Article number: REVIH.0802
	5	Electronics for cable connection Article number: REVIE.0802
	6	Housing lid without inspection window Article number: REVIHDX.0802
	7	Example of a process assembly: Plastic horn antenna Article number: PRT3205ANT.XXX

0802-0100-01\N\AS180426110

5 ROHEVEL-PRT3206

	No.	Designation Article number
	1	Housing lid with inspection window Article number: REVIHD.0802
	2	Display adjustment module Article number: DISP.0802
	3	Electronics Article number: EPRT.3206
	4	Double chamber housing Article number: REVIH.0802
	5	Electronics for cable connection Article number: REVIE.0802
	6	Housing lid without inspection window Article number: REVIHDX.0802
	7	Example of a process assembly: Antenna adapter cone Article number: PRT3206APK.XXX
	8	Example of a process assembly: Horn antenna Article number: PRT3206ANT.XXX

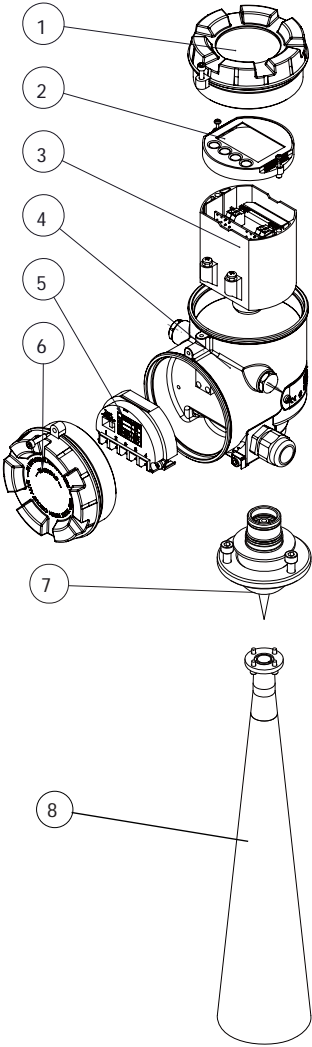

0802-01.00-01M.AS180426110

6 ROHEVEL-PRT3207

	No.	Designation Article number
	1	Housing lid with inspection window Article number: REVIHD.0802
	2	Display adjustment module Article number: DISP.0802
	3	Electronics Article number: EPRT.3207
	4	Double chamber housing Article number: REVIH.0802
	5	Electronics for cable connection Article number: REVIE.0802
	6	Housing lid without inspection window Article number: REVIHDX.0802
	7	Example of a process assembly: Antenna adapter cone Article number: PRT3207APK.XXX
	8	Example of a process assembly: Encapsulated horn antenna Article number: PRT3207ANT.XXX

0802-0100-01IN(AS)80426110

7 ROHEVEL-PRT3208

	No.	Designation Article number
	1	Housing lid with inspection window Article number: REVIHD.0802
	2	Display adjustment module Article number: DISP.0802
	3	Electronics Article number: EPRT.3208
	4	Double chamber housing Article number: REVIH.0802
	5	Electronics for cable connection Article number: REVIE.0802
	6	Housing lid without inspection window Article number: REVIHDX.0802
	7	Example of a process assembly: Horn antenna Article number: PRT3208ANT.XXX
	8	Example of a process assembly: Horn antenna Article number: PRT3208ANT.XXX

0802-0100-01M/AS180426110

8 ROHEVEL-PRT3209

	No.	Designation Article number
	1	Housing lid with inspection window Article number: REVIHD.0802
	2	Display adjustment module Article number: DISP.0802
	3	Electronics Article number: EPRT.3209
	4	Double chamber housing Article number: REVIH.0802
	5	Electronics for cable connection Article number: REVIE.0802
	6	Housing lid without inspection window Article number: REVIHDX.0802
	7	Example of a process assembly: Article number PRT3209PA.XXX
	8	Example of antenna: Paraboloid antenna Article number: PRT3209ANT.XXX

0802-0100-01\N\AS180426110
